Massage

Touching a healing from a mother's touch which comforts and soothes her baby to the triumphant sensation of a lover's touch. Touch is the sense on the same principle as human touch, massage is the oldest method of promoting good health. Massage is the oldest form of healing and therapy. Therapy is recognized by the general public and other health care professionals as being an effective tool for healing and prevention.

Due to public perception and desire, massage therapy has become a mainstream alternative therapy. It is a viable and important problem solving and good health not only for your physical but emotional and spiritual health. Massage is a natural and non-invasive form of the science of medicinal processes and friction of the body. Whether it is for treatment of a specific ailment or just a general maintenance of massage therapy touch is used to maintain and enhance the health and well being of the entire body. Massage therapy is a natural and non-invasive form of

Hand & foot treatments

We offer the ultimate for nail care Flexibility hand and foot treatment can be added to your manicure or pedicure for a small fee. Your hands or feet are massaged with a lotion while your nails are being filed. After 10 minutes the lotion is rinsed off and your feet or hands feet are massaged with a lubrication lotion. Great for cars as well.

Aromatic spa features

Before your treatment we invite you to begin your relaxing spa experience in the comfort of your own private steam room. Choose from a variety of aromatic steam bath, hot tub or Whirlpool Bath Tub, depending on your accommodation.

As part of the Algonquin Spa you have access to our Tension Tamer room. It is a sensory experience that combines the elements of Aromatherapy, Hydrotherapy, Heat and Sensory Light. There are two weights available, the Tension Tamer Lite is a reclining massage machine and a total relaxer. The massage also has all the features with mechanical and electric heat. It is a full body massage that gently rocks the body. Perfect for those who have sore muscles or are suffering from tension headaches. Relax and sweat away in a hot tub or sauna. Perfect for those who have sore muscles or are suffering from tension headaches and partly in your skin.
